SECTION 7. The Commissioner of Human Resources shall prepare and present to the City Council on the twentieth day of each month a written report of all vacancies occurring during the preceding month due to resignation, retirement, death, layoff, promotion, demotion, discharge, or termination. SECTION 8. Grant applications, expenditures of grant funds, and all other aspects of the grant process described in this section shall be carried out in adherence to City-wide policies and procedures established and administered by the Office of Budget and Management in consultation with the Department of Finance, pursuant to the Mayor's direction, and shall further be subject to the limitations of this section. These mandatory policies and procedures shall govern all city grants, including those authorized under any municipal code provision or uncodified ordinance.

Subject to such policies and procedures, the Mayor and the heads of the various departments and agencies of the City Government are authorized to apply for grants from governmental and private grantors. With respect to such grants, and also with respect to city funds appropriated for grants to third parties, the Mayor and the heads of the various departments and agencies are authorized to execute grant and subgrant agreements and amendments thereto to effectuate the purposes of such grants and appropriations; to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing, all subject to the foregoing mandatory Office of Budget and Management policies and procedures.

To the extent that revenue of a grant is not described in the appropriation from Fund 925—Grant Funds, or that an amendment increases the budget of a project beyond the appropriation described hereinafter, no expenditure of such grant revenues shall be made without prior approval of the City Council.

The Comptroller and the heads of the various departments and agencies of the City Government shall administer the revenues of grants received by standard accounts, in accordance with the standard classification of accounts and with the manual of the Department of Finance.

No later than the tenth day of each month, the Budget Director shall provide to the Committee on Finance a compilation of all grants awarded to the City in the preceding month.

On or before May 15, 2017, and on or before November 15, 2017, the Office of Budget and Management shall provide to the Committee on the Budget and Government Operations a report showing all federal and state funds received or administered by the City for the time periods October 1, 2016, through March 31, 2017, and April 1, 2017, through September 30, 2017, respectively. Community Development Block Grant funds shall be excluded from this report. The report shall list the amounts disbursed and purposes for which disbursements were made, and shall indicate the Grantor of the funds, purpose, service area(s) and number of positions supported.

In connection with any delegate agency grant agreements entered into between the City and the respective delegate agencies for 2017, the Chief Procurement Officer shall be authorized to resolve disputes between the respective delegate agency and the appropriate City department or agency and to promulgate and implement regulations in connection therewith.

SECTION 9. Any employee who is required and is authorized to use his or her personally owned automobile in the regular conduct of official City business shall be allowed and paid at the rate established from time to time by the Internal Revenue Service for the number of miles per month use of such privately owned automobile, to a maximum amount of \$550 per month, such maximum to be adjusted upward on February 1 of each year by the percentage increase, if any, in the Transportation Expenditure Category of the Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average for the previous year, as rounded to the nearest \$5 increment. Each annual adjustment shall be based on the adjusted amount for the previous year. Provided further, the foregoing computation shall be subject to provisions contained in contracts approved by the City Council between the City and recognized collective bargaining agents; and provided further that this allowance is subject to change by the City Council during the fiscal year in accordance with such contracts.

BETWEEN THE CITY OF CHICAGO,
BY AND THROUGH ITS DEPARTMENT OF FAMILY AND SUPPORT SERVICES,
AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO
REGARDING AFTER SCHOOL MATTERS AND CITY YEAR

This Intergovernmental Agreement regarding After School Matters and City Year (this "Agreement") is made and entered into as of the 1st day of June, 2017 (the "Agreement Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Family and Support Services ("DFSS"), and the Board of Education of the City of Chicago, a body politic and corporate, commonly known as the Chicago Public Schools (hereinafter referred to as the "Board" or "CPS").

RECITALS

WHEREAS, the City desires to grant not to exceed \$900,000 (the "City Funds") to the Board; and

WHEREAS, the Board desires to subgrant \$600,000 of the City Funds to its third party vendor, After School Matters, Inc., an Illinois not-for-profit corporation ("ASM"), for out-of-school programming to high school students across Chicago (the "ASM Project"); and

WHEREAS, the Board desires to be reimbursed \$300,000 of the City Funds for paying its third party vendor, City Year, Inc., a Massachusetts not-for-profit corporation ("CY") (together with ASM the "Subgrantees" and each a "Subgrantee"), which had a presence of 8 or more AmeriCorps members at 26 CPS schools (the "CY Project") during the spring of 2017 (together with the ASM Project, the "Project"); and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

ARTICLE TWO: THE PROJECT

1. The Project is described in Exhibit A hereto. The Board shall comply and shall require the Subgrantees to comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In the subgrant agreement relating to the ASM Project, the Board agrees to require ASM to name the City as an additional insured on insurance coverages.

ARTICLE THREE: FUNDING

1. (a) Upon execution of this Agreement, the Board shall provide DFSS with a Requisition Form, in the form of Exhibit B hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit C hereto; (ii) evidence of the expenditures upon the Project which the Board has incurred; and (iii) all other documentation described in Exhibit B. The City shall review and, in the City's discretion, approve the Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project.

(b) Delivery by the Board to DFSS of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

2. The current estimate of the cost of the Project is \$900,000. The Board has delivered to the Budget Director of the City (the "Budget Director"), and the Budget Director hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as Exhibit C.

(a) ASM Project: The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the ASM Project. The Board agrees that the City will only contribute the City Funds in the amount of \$600,000 to the ASM Project and that all costs of completing the ASM Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the ASM Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the ASM Project as agreed with the City in order to complete the Project with the available funds.

(b) CY Project: The City will reimburse the Board in the amount of \$300,000 of the City Funds for the CY Project which was already paid by the Board to CY. Only those expenditures made by the Board with respect to the CY Project, evidenced by documentation satisfactory to the City and approved by the City as satisfying the costs covered in the project budget for the CY Project. CY has already been paid for the CY Project by the Board and will not receive additional funding by the City under this Agreement.

3. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds

actually paid by the City to the Board and expended by the Board on the Project.

4. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

ARTICLE FOUR: TERM

The term of the Agreement shall commence as of the Agreement Date and shall expire on December 31, 2017 ("Term"), unless terminated sooner as provided herein.

ARTICLE FIVE: INDEMNITY; DEFAULT

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such

default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

THE PROJECT

CY Programming

The Board has entered into a contract with a third party vendor, City Year, to provide in-school and out-of-school mentoring and tutoring services to CPS students.

Funding for CY under this Agreement covered the presence of 8 or more AmeriCorps members ("Corps Members") at each of the 26 City Year partner schools during the spring of 2017. These Corps Members provided Tier I and Tier II services in the Focus List areas of ELA, Math, Attendance, and Behavior. Services included attendance rallies, phone calls home, push in academic support, and skill deficiency identification and development. Corps Members were present at their assigned schools all day, every day and formed relationships with the students on their Focus List as well as the teachers of those students in order to maximize impact and cooperation with the schools. An additional Impact team was also provided to each school, including a Team Lead, Impact Manager, and Impact Director. These positions served one or more schools and support Corps Members in their work with students and getting outcomes.

The schools included 19 elementary schools and 7 high schools. The list of schools from the 2016-17 school year is below.
